Continuation of 2. NOTE: Claim 12 and 21 have been amended to included an "interlocking HTTP protocol", which was not presented before. This new limitation would require further search and/or consideration. Examiner would like to point out that this new limitation, if added would have no clear anteceded basis in the claim language. Applicant is advised to be mindful of this observation. Futhermore, in claim 12, new limitations from canceled claim 13 have been added to claim 12. This new limitation would require further search and/or consideration in regards to dependent claims in light of the newly amened independent claim 12.
